

Release 8.1.0

Locations

- **Locations Manage** – The Assigned To Location filter would not open when clicked on. This has now been fixed.

The screenshot shows a table of locations with columns: Location ID, Description, Location Type, Site, Related User, Assigned To Location, Assigned Assets, and Held Assets. A modal titled "Assigned To Location" is open, displaying a search input field and buttons for "Ok", "Empty Results", "Reset", and "Close". A red arrow points from the "Assigned To Location" column header in the table to the modal.
