# Release 8.2.0

- **Student Email All** – The link that is sent for the policies to sign for the student will now contain the link for the policies separated based on the policy type. These links are also mobile device friendly.

As part of our school system’s commitment to providing a safe and secure learning environment for our students, we are requiring all students to adhere to specific policies. These policies outline the appropriate and responsible use of technology resources in our school system.

Click on each of the links below to sign the policies:

*Note: These links will expire in 30 days.*

**Please Enter Your Information**

Full Name

Email Address

Phone Number

**Insurance Options**

Yes, I would like to purchase the Optional Protection Plan for the Personal Mobile Computing device.

No, I choose not to purchase the Optional Protection Plan and accept all financial responsibility for the Personal Mobile Computing device assigned to my student.

**Parent/Guardian (Padres/Guardián)**

**Signature (Firma)**

# Release 8.2.0

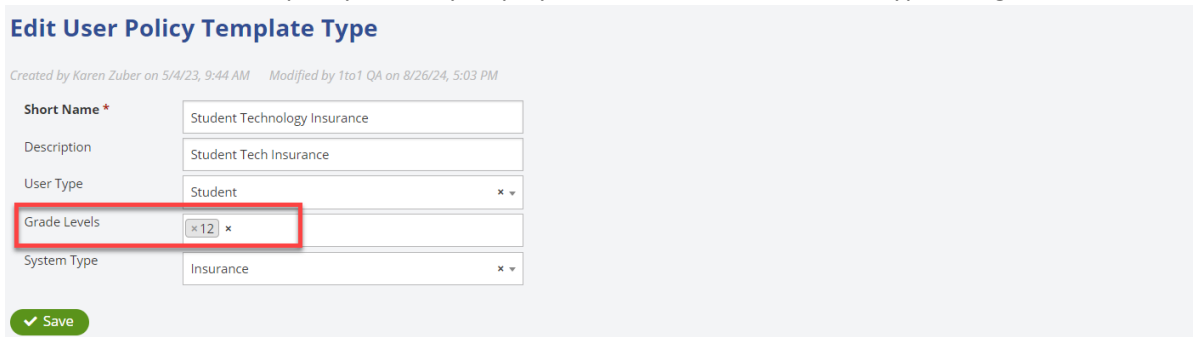

## Help Desk

- **Breadcrumbs for Student Login** – The breadcrumb will now take the student back to My Tickets instead of Tickets.

## Settings

- **Users/Policy Template Types** –
  - Grade Levels have been added as an option for User Type of Students. If a Grade Level is selected, the policy will only display for students with that user type and grade level.

## Edit Student
